The Honorable Governor Edmund G. Brown, Jr.
c/o State Capitol, Suite 1173
Sacramento, CA 95814

Dear Governor Brown,

In support of 330,000 Californians with developmental disabilities, I urge you to consider a 4% system-wide restoration of funding for service providers, like Gatepath. These programs allow all individuals served to be included in the community and have equal access to affordable housing and education so they can achieve their potential.

Thank you for considering this urgently needed rate increase in the 2018-19 Department of Developmental Services budget for the organizations who provide services to Californians with disabilities. **Please show you care about Californians with disabilities.**

Sincerely,
